# Welcome to SNMICON AOCNMB 2025

On behalf of the Society of Nuclear Medicine India (SNMI), we extend our heartfelt invitation to you all to participate in the AOCNMB 2025, scheduled to be held from 4<sup>th</sup> to 7<sup>th</sup> December 2025 at the prestigious ITC Grand Chola, Chennai.

The Tamil culture—renowned worldwide for its rich heritage and warm hospitality—has flourished since ancient times. Our language, one of the oldest surviving in the world with over 5,000 years of history, is a treasure trove of literature, grammar, poetry, and the arts. Chennai, often regarded as an educational hub of India—and arguably, of South-East Asia—reflects this legacy.

Nuclear Medicine in India is witnessing exponential growth. At present, there are approximately 560 Nuclear Medicine institutions across the country. This number is projected to grow significantly, with around 2,000 healthcare organizations soon expected to offer Nuclear Medicine facilities.

This conference will not only feature participation from countries within the AOFNMB region, but also from leading global organizations such as the Society of Nuclear Medicine and Molecular Imaging (SNMMI, USA), the Latin American Society, WARMTH, and the BRICS Nuclear Medicine Societies. Together, we are championing Nuclear Medicine as a cost-effective and forward-looking strategy to address global healthcare challenges.

We warmly invite you to join us for this grand academic and culinary celebration, and to share in a spirit of unity, learning, and joy with colleagues from across the globe.

Thank you,

Yours faithfully,

AOCNMB 2025 will feature an exclusive exhibition area with three types of stalls:

- Special Stalls reserved for sponsors
- Premium Stalls (3m x 3m) for enhanced visibility
- Signature Stalls (2m x 2m) for compact showcase

#### Investment details for these stalls can be found at the end of this brochure.

AOCNMB 2025 will also unveil a special commemorative magazine (souvenir), featuring insightful articles aligned with the conference theme. This magazine presents a unique opportunity for advertisers to showcase their brand. Every delegate will receive a printed copy, while a digital version will be available for free download from the conference website. Detailed branding options are provided at the end of this brochure.

#### SESSION SPONSORSHIP

While the previously mentioned categories are at Conference level, this type of Sponsorship is exclusive for a session. There is only one company or organization that can sponsor a Session.

For example, a Session Title/Theme could be "Theranostic Innovations in Nuclear Medicine" or "Advances in Molecular Imaging." This session can be sponsored by one company which is the session sponsor.

Sponsorship Benefits to Session Sponsors

- Branding during the session (e.g., logo on presentation slides and banners).
- Acknowledgment in the conference program and website.
- Session Sponsor video will be played before the start of the session.
- Mention of the Session Sponsor in the conference materials.
- Opportunity to address attendees briefly before the session begins.
- Opportunity to give away the Memento to Chair and Speakers along with a Photo Session.
- Opportunity to deliver the Thank you Note at the end of the session.
- Networking opportunities with attendees and speakers.

Category	Ownership and Responsibility	Investment in INR	Investment in USD
Session Sponsor - Type A	Complete Ownership & Branding of the Session by Sponsor, including Conceptualization, Design, Execution. All speakers/faculty to be invited by the Sponsor.  (It is advised to have only 1 speaker from the Sponsoring Organization)  Additionally, a 3 m X 3 m (Premium Stall) is complimentary in this package	20,00,000	22,728
Session Sponsor - Type B	Session topic will be jointly planned by the sponsor and organizer while the design, execution, branding and speaker/faculty invites responsibility will be with the organizer	10,00,000	11,364

All Prices effective from Oct 1, 2025 till Dec 4, 2025

All Rates are exclusive of 18% GST

#### **EXHIBITION STALLS**

AOCNMB2025 will feature a diverse array of exhibition stalls designed to showcase the organization's initiatives and innovations. This event aims to provide a platform for various stakeholders, including industry leaders, researchers, and practitioners, to share their insights and advancements.

AOCNMB 2025 promises to be an enriching experience for all participants, highlighting the organization's commitment to innovation and community engagement.

Exhibition Highlights

- Diverse Participation: The stalls will represent a wide range of sectors, allowing participants to engage with cutting-edge technologies and methodologies.
- Networking Opportunities: Attendees will have the chance to connect with experts and peers, fostering collaboration and knowledge exchange.
- Interactive Displays: Many booths will feature interactive elements, encouraging hands-on experiences that enhance understanding of the showcased products and services.
- Educational Sessions: Alongside the exhibition, there will be opportunities for learning through presentations and discussions led by industry experts.

You can customize your exhibition stall at AOCNMB 2025. Many exhibition stall design companies offer bespoke solutions that allow you to tailor every aspect of your booth to meet your specific branding and marketing needs.

#### **AOCNMB 2025 COMMEMORATIVE MAGAZINE**

AOCNMB2025 will also see a Magazine released as a souvenir which will have various articles relating to the theme (contributed by authors across the globe) and will offer an opportunity for advertisers to brand themselves. This magazine will not only be available as a physical copy (distributed to all delegates of the conference at the conference venue) but the digital copy will be downloadable **free** from the conference website. Details on branding options are available below

To celebrate the 17<sup>th</sup> Asia Oceania Congress of Nuclear Medicine and Biology (AOCNMB) and the 57<sup>th</sup> Annual Conference of the Society of Nuclear Medicine, India (SNMI).

- To provide a platform for advertisers (e.g., medical equipment manufacturers, pharmaceutical companies, research institutions) to reach a targeted audience of nuclear medicine professionals.
- To publish articles from global authors on theranostic nuclear medicine, aligning with the conference theme.
- To showcase highlights of the conference, cultural elements of Chennai, and contributions from the organizing committee.
